## Reinforcing Access to Cross Border Employment at Palestinian Higher Education Institutions [REACH]

REACH is an Erasmus funded project (ref.609976-EPP-1-2019-1-PS-EPPKA2-CBHE-JP) under the action of Capacity Building in the field of Higher Education 2019. Five Palestinian universities and five EU universities, in addition to industry representatives are participating in REACH consortium. The project will last for three years starting from November 2019.

REACH aims to enhance the capacity of Palestinian Higher Education Institutions (PHEIs) in promoting cross border employability skills of graduates, providing them with the capabilities for effective cross border working so that they can develop their potential and participate actively in sustainable economic development in Palestine.

### Objectives:

- 01** to reinforce PHEIs links with local and international labour markets focusing on cross border work.
- 02** to enhance the competence and performance of career centers/alumni units at PHEIs in creating and promoting cross border work employment, and
- 03** to strengthen graduates' skills and know-how required for obtaining cross border employment.
